

1902- Battambang Typewritten Surcharges.10 Atts on 12 Atts.

The three copies shewn below are all doubly surcharged,
the first overprint reading by mistake "value 2 Atts"
corrected to 10 Atts by re-surcharging with the same
Typewriter.

Note the overlapping of the Surcharges from the adjoin-
ing stamps, shewing that the stamps were surcharged
in sheets, or at least in blocks.
